## Application details for Junior Faculty applications (e.g. SNF Professorships) with DBM as the host institution

### 1. General Information

Project

Name

Surname

Email

Name of science mentor

### 2. Planned group size

	Number	% employment (use semicolon for more than one)
Technician(s)*		
PhD student(s)		
Postdoc(s)		
Bioinformatician		
Master student(s)*		
Total group size including applicant		

\*Due to limited space, laboratory and/or office space cannot be guaranteed for technicians with a part-time workload of less than 60% and master students (irrespective of workload)

### 3. Animals

Does your project involve work with animals:

Yes Please fill in below

No Please proceed with 4. Equipment

Species

Estimated number of	Cages	Animals
Special hygiene conditions	Specify	
Biosafety level 2 required?	Proportion BSL2 of total	%
Yes No		

Special equipment in mouse facility

Yes No Specify

Comments

## 4. Equipment and lab

4.1 Equipment to be purchased specifically for your lab (not / insufficiently available at the DBM)  
with a per item cost >10'000 CHF

Equipment name	Special Conditions	If yes, specify what (e.g. room conditions, gas, electr. network...)
----------------	--------------------	---

Comments

4.2 Equipment used in DBM core facilities:

Core Facility	Instruments/method	Hours per week
Microscopy		
Flow Cytometry		
Histology		
Bioinformatics		
Others in other institutions		

Comments

4.3 BSL2 /Cell culture/ wet lab

BSL2	Yes	No
Cell culture	Yes	No
Wet lab	Yes	No
Special requirements	Yes	No

Details  
Special requirements

Biomedicine

#### 4.4. Sample storage

Human samples

Yes      No

If yes, biobanking

Yes      No

Space in LN2

Space at 80°C

Boxes (10×10)

racks
