

### **Withdrawal of the doctoral agreement**

The withdrawal of the doctoral agreement and of any employment relationship associated with the doctoral relationship is possible at any time upon mutual agreement.

We ask you to fill in the form, sign it and submit it in the original to the Dean's Office. The Dean's Office will then inform the Student Administration Office of the termination of the doctoral relationship. Without a new supervision agreement, the doctoral student cannot register for the following semester. In the event of a conflict, both parties can request mediation by the Doctoral Board.
